

Capt. Rahul Monga, Expedition Director

Meet Wg. Cdr. Rahul Monga, a former Indian Air Force pilot and a world record holding circumnavigator, who joins us as Expedition Director, coach and mentor to the WE! Pilots as they prepare for their mission.

A Journey of a Thousand Miles Begins in 3 Feet of Water

The WE! Pilots are in Expedition mode. They underwent an intensive sea survival training course, learning how to float, tow, huddle and board a life raft, among many other things. All this on a hot, sunny day, under the watchful eyes of Capt. Sunil Bhatnagar from [Arete Marine and Offshore Services](#).

Thank You Arete!

Team WE! is very grateful to Capt. Bhatnagar and the Arete team for donating two marine life jackets to the Expedition. Thank you for being the wind beneath our wings.
